Windows: The HP Software Installer CD installs the "HP PCL 6" or "HP PCL 6" version 3 driver, depending on the Windows operating system, along with optional software when using the full software installer. Download the "HP PCL-6" version 4 print driver from the product-support Web site for this product: www.hp.com/support/ijM603, www.hp.com/support/ijM605, www.hp.com/support/ijM606.

Mac computers and OS X: Mac computers and Apple mobile devices are supported with this product. The OS X print driver and print utility are available for download from hp.com and may also be available via Apple Software Update. The HP installer software for OS X is not included in the in-box CD. Follow these steps to download the OS X installer software:

1. Go to www.hp.com/support/ijM604, www.hp.com/support/ijM605, www.hp.com/support/ijM606.
2. Select **Support Options**, and then under **Download Options** select **Drivers, Software & Firmware**.
3. Click the operating system version, and then click the **Download** button.

Operating system	Driver installed	Notes
Windows® XP SP3, 32-bit	The "HP PCL 6" product-specific print driver is installed for this operating system as part of the basic software installation. The basic installer installs the driver only.	The full software installer is not supported for this operating system. Use UPD drivers for 64-bit operating systems. Microsoft retired mainstream support for Windows XP in April 2009. HP will continue to provide best effort support for the discontinued XP operating system.
Windows Vista®, 32-bit	The "HP PCL 6" product-specific print driver is installed for this operating system as part of the basic software installation. The basic installer installs the driver only.	The full software installer is not supported for this operating system. Use UPD drivers for 64-bit operating systems.
Windows Server 2003 SP2, 32-bit	The "HP PCL 6" product-specific print driver is installed for this operating system as part of the basic software installation. The basic installer installs the driver only.	The full software installer is not supported for this operating system. Use UPD drivers for 64-bit operating systems.
Windows 7 SP1, 32-bit and 64-bit	The "HP PCL 6" product-specific print driver is installed for this operating system as part of the full software installation.	Microsoft retired mainstream support for Windows Server 2003 in July 2010. HP will continue to provide best effort support for the discontinued Server 2003 operating system.
Windows 8, 32-bit and 64-bit	The "HP PCL 6" product-specific print driver is installed for this operating system as part of the full software installation.	Windows 8 RT support is provided through Microsoft IN OS Version 4, 32-bit driver.
Windows 8.1, 32-bit and 64-bit	The "HP PCL 6" product-specific print driver is installed for this operating system as part of the full software installation.	Windows 8.1 RT support is provided through Microsoft IN OS Version 4, 32-bit driver.
Windows Server 2008 SP2, 32-bit	The "HP PCL 6" product-specific print driver is installed for this operating system as part of the basic software installation. The basic installer installs the driver only.	The full software installer is not supported for this operating system.
